Dreams Puerto Aventuras Resort & Spa means Port of Adventure. Your first glimpse of the secluded, picture-perfect beach will tell you this will be a truly treasured memory. Your adventure will lead you toward the shore, the nearby golf courses, or the picturesque marketplace and playful dolphins in the yacht-filled marina village. Just 60 minutes from Cancun International Airport, you are only 15 minutes south of Playa del Carmen and 20 minutes north of the mysterious Mayan ruins of Tulum.

Everything you could wish for is right here. Sun-dappled pools, six internationally diverse gourmet restaurants, a Dreams Spa by Pevonia and endless day and night activities. The only thing you need to think about are all the ways you can enjoy yourself.

The most important aspect of our business is our relationship with you. It is critical to both our successes that we have a strong avenue of communication and understanding in order to make you more profitable.

It is in that spirit that we once again sponsor a trip program. Qualification for the trip begins September 1st, 2009 and runs through December 31st, 2010. The trip dates are March 2nd through March 7th, 2011.

Supply New England's "Quest for Paradise" trip program rewards your purchases from premiere vendors with the opportunity to go on a six day five night all-inclusive adventure

to **Dreams Puerto Aventuras Resort & Spa** in the Mayan Riviera.

For all of you that participated in our previous trip promotion in Cabo San Lucas, you are aware of the first class amenities associated with the *Dreams Resorts*. The fun begins with a great group of customers, qualifying employees, and vendors as well.

We need you to register immediately so that we can communicate your progress towards your objective. Please fill out the registration form in its entirety and send it back to us. You can also register online at the Supply New England website. Click on the Supply New England's "Quest for Paradise" logo to submit your registration.

Our program begins with two vendor specific incentives to increase your buying power. Both Weil-McLain and the Kohler Co. are doubling your dollars during the opening months of our promotion. These types of promotions during the next sixteen months will reoccur and create opportunities to increase qualifying purchasing dollars.

This promotion, like all that we do is intended to reward our loyal customers who work with us every day to get the job done right. We know you have choices but intend to make your decision easier through the opportunity to travel, relax, and enjoy as a result of your business decisions.
